NEWS Seniors Can Use – April 2021

A NEW BILL GOING INTO EFFECT:

The American Rescue Plan Act of 2021 gives people the opportunity to enroll in more affordable coverage on the Affordable Care Act (Obamacare). It broadens the subsidies available under the Affordable Care Act for comprehensive health insurance – increasing subsidies for people who are already eligible and providing new assistance for people with incomes previously too high to qualify.

A GLIMPSE AT A FEW ITEMS ON PRESIDENT BIDEN'S AGENDA FOR OLDER AMERICANS:

- 📖 Trying to lower the age of Medicare eligibility to 60
- 📖 Pursuing avenues to lower the cost of medication
- 📖 Ensure adequate staffing levels in nursing homes
- 📖 Increase the oversight of nursing homes
- 📖 For many couples, when one spouse dies, Social Security income may be cut in half. Biden's plan would allow the surviving spouse to keep a greater share of the benefits.

OVER THE COUNTER BENEFITS

If your plan provides Over the Counter benefits, be sure to use them. Some expire quarterly and some expire yearly. If you have questions about how to take advantage of them, feel free to give me a call.
