

For the third year in a row, the cities of DeSoto and Lancaster have pooled their resources to put on a great fireworks show. This year, it's Lancaster's turn to host the event and it will come back to DeSoto in 2009.

The City of Lancaster is cordially inviting everyone who loves a great fireworks show to join them at Community Park on the 4th. If you have any questions about the fireworks show, please call their Parks & Recreation Department at 972.218.3700.

Work Is Progressing on the Town Center Project

If you've driven past Town Center in the last month, you know that the parking garage for the project is nearly complete and you've probably noticed that they have begun framing Residential Building 1. Work on the project is progressing quickly now and things are changing daily. Here's a picture of the interior of the project which shows that the main street and roundabout is in along with a

retaining wall on Building Three. A site map is included on page 3.
